- Receipts posted on Canvas last week for student organizations receiving allocations. We allocated \$36,939.58 this semester due to excess funds from last semester.
- Received \$65,616.55 in requests from 20 student organizations
 - \$49,620.70 in Priority One
 - \$15,995.85 in Priority Two
- Any feedback on the new allocation process?
- Looking into ways to get more funds to allocate to student organizations (Possibly fundraising or using some of ESC's budget)
- Reminder that Student Government also holds Allocations and a few engineering student organizations have already taken advantage.

Student Government candidates

- Austing Graber and Vishesh Bhatia
- Cody Woodruff and Analese Hauber
- Benjamin Whittington and Annaliessa Michelotti
