ESC Overview

Article II. Purpose

Engineering Student Council's mission is to promote and support engineering student organizations.

This mission is achieved by doing the following:

1. Serving as liaison between students and College administration, and by recognizing achievement within the College.
2. Hosting events for the College of Engineering that help student organizations interact with each other. Additionally, providing opportunities for outreach events to the community.
3. Working closely with the Student Government Senators from our college to help them best represent our College of Engineering and student concerns.
4. Sponsoring Freshman Leaders in Engineering, an organization that teaches countless leadership lessons and provides networking opportunities.
5. Interfacing with the National Association of Engineering Student Councils where we learn from and network with other Engineering Student Council groups across the country.

Co-President duties

1. President/Co-Presidents

1.1. Oversee the Executive Board

1.2. Schedule and preside over both General Body and executive meetings

1.3. Call presidential meetings as needed

1.4. Represent ESC to StuGov

1.5. Represent Iowa State's ESC at the National Association of Engineering Student Councils (NAESC) regional and national conferences through personal or delegated attendance

1.6. Review the constitution and bylaws yearly and revise it as necessary

1.7. Maintain minutes at executive and general meetings

1.8. Appoint executive officers, StuGov senators, and other positions for temporary purposes, as needed

Co-President candidates
