

Iowa State University College of Engineering Requirements

- Courses must be completed with a grade of “C” or better in order to be considered for transfer credits into the College of Engineering.
- All engineering students must successfully complete **BASIC PROGRAM** courses (listed below) before progressing to upper level engineering program course work.
- Students not adequately prepared for success in Calculus I may need to take courses in addition to those listed in the Basic Program. Some students may first need to successfully complete college algebra (Math 140; IHCC MATH 1118, 1119) and/or college trigonometry/prep for calculus (Math 143; IHCC MATH 1127).
- The College of Engineering requires two years of a single foreign language in high school – OR – an equivalent in college (typically two semesters).

**BASIC PROGRAM: courses required in all engineering degree programs at ISU**

ISU Course	Cr	IHCC Course	Cr
CHEM 177 or 167	4	General Chemistry for Engineers	CHEM 1061 5
ENGL 150	3	Critical Thinking and Communication	ENG 1108 4
ENGL 250	3	WOVE Composition	ENG 1114 3
ENGR 101	R	Engineering Orientation	n/a
ENGR 160	3	Engineering Problems	n/a
LIB 160	1	Information Literacy	n/a
MATH 165	4	Calculus I	MATH 1133 5
MATH 166	4	Calculus II	MATH 1134 5
PHYS 221	5	Classical Physics I	PHYS 1081 5

**Additional courses required in *specific* engineering degree programs (majors) at ISU**  
(see abbreviation key below)

BR; Op	Biorenewable Resources option; Open option	MatE	Materials Engineering
ChE	Chemical Engineering	ME	Mechanical Engineering
CE	Civil Engineering	SE	Software Engineering
Envr	Environmental option		

## Social Science/Humanities/General Education (SS/H) Requirements

- Engineering degree programs require between 12 and 15 credits in social sciences/humanities/general education (SS/H). The list below offers course options that are accepted by all ISU engineering departments; however, each program has unique requirements—please confirm choices on an individual basis if you know your intended engineering program.
- Iowa State University requires each student to complete three credits of course work categorized as “US Diversity” (indicated below with <sup>1</sup>); and 3 credits of course work categorized as “International Perspective” (indicated below with <sup>2</sup>). These can be included within the 12-15 credits of SS/H requirements.
