¹ In-state, out-of-state, and international categories based on residency status while student

² Graduates for whom career services obtained information (via surveys, phone calls, emails, etc.)

³ Graduates responding who were still seeking employment (Percentage based on "Respondents")

⁴ Respondents who indicated they were not actively seeking a career outcome (employment, continuing education, etc.) after graduation (Percentage based on "Respondents")

⁵ Graduates responding who had obtained full or part-time/temporary positions (Percentage based on "Respondents" minus those "Not Seeking")

⁶ Percentages under categories of "Location" are based on those "Employed"

⁷ Employed graduates securing professional or major-related employment (Percentage based on those "Employed")

⁸ Graduates responding who were pursuing further education (Percentage based on "Respondents" minus those "Not Seeking")

⁹ Percentages under categories of "Location" and "Type" are based on those pursuing "Further education"

¹⁰ Previously titled "Placed" - Graduates responding who were either employed or pursuing further education (Percentage based on those actively engaged in search = "Respondents" minus those "Not Seeking")

¹ In-state, out-of-state, and international categories based on residency status while student
² Graduates for whom career services obtained information (via surveys, phone calls, emails, etc.)
³ Graduates responding who were still seeking employment (Percentage based on "Respondents")
⁴ Respondents who indicated they were not actively seeking a career outcome (employment, continuing education, etc.) after graduation (Percentage based on "Respondents")
⁵ Graduates responding who had obtained full or part-time/temporary positions (Percentage based on "Respondents" minus those "Not Seeking")
⁶ Percentages under categories of "Location" are based on those "Employed"
⁷ Employed graduates securing professional or major-related employment (Percentage based on those "Employed")
⁸ Graduates responding who were pursuing further education (Percentage based on "Respondents" minus those "Not Seeking")
⁹ Percentages under categories of "Location" and "Type" are based on those pursuing "Further education"
¹⁰ Previously titled "Placed" - Graduates responding who were either employed or pursuing further education (Percentage based on those actively engaged in search = "Respondents" minus those "Not Seeking")
