The screenshot shows the Canvas LMS interface for the 'Engineering Student Council Training' course. On the left is a red navigation sidebar with icons for Account, Dashboard, Courses, Calendar, Inbox, Arc, and Help. The main content area has a top navigation bar with 'ESC Training' and a hamburger menu icon. Below this is a breadcrumb trail: 'Home' > 'Engineering Student Council Training'. A large red banner with the text 'Welcome!' is followed by the Engineering Student Council logo. Below the banner is a red box titled 'ESC Required Trainings'. The text below explains that mandatory training is required for organizations seeking funding from the ESC, with two trainings required in the fall and spring semesters. A list of tasks to complete the training is provided, including accessing modules, reviewing PowerPoints and Handbooks, completing presentations and worksheets, and submitting a quiz. A deadline is highlighted: 'Trainings (Quiz, Worksheet, PowerPoint) for the Spring semester need to be completed no later than Friday, February 1 at 11:59pm.' A note states that completion makes one eligible for ESC funds. A footer note provides contact information for Katie Friesen at [kfriesen@iastate.edu](mailto:kfriesen@iastate.edu). On the right side, there are buttons for 'View Course Stream' and 'View Course Calendar', and a 'To Do' section listing 'ESC Spring Training Quiz' with 15 points and a due date of Feb 1 at 11:59pm.
