

Engineering PhD Student and Postdoc Employer Networking Event (CyHire RSVP Needed)

Want to learn about careers outside academia? Looking for companies interested in hiring PhD students and postdocs? Find it challenging to connect with the right recruiters at the career fair? Come to this new networking event before the career fair on Sept. 24th.

This event is limited to ISU PhD students and postdocs in engineering and related majors. RSVP in [CyHire](#) to reserve your spot!

- Go to 'Events' and then 'Information Sessions'
- Search for 'Engineering Career Services'.
- Click on the event, scroll to the bottom, and click on the RSVP button.

The event will be held on September 24th from 9:00 to 10:30am (**come and go as you please**) in Johnny's (on the east side of the Hilton Coliseum upper concourse). Bring your resume and dress to impress. A light continental breakfast will be served.

Employers Currently Registered to Attend: Additional employers will be added as they register for the event - check back in CyHire to see the updated list!

- **American Electric Power**
 - Recruiting: Civil Engineering, Computer Engineering, Construction Engineering, Cyber Security Engineering, Electrical Engineering, Industrial and Manufacturing Systems Engineering, Industrial Engineering, Mechanical Engineering, Operations Research
- **Boeing Company, The**
 - Recruiting: Aerospace Engineering, Chemical Engineering, Computer Engineering, Cyber Security Engineering, Electrical Engineering, Industrial Engineering, Materials Engineering, Mechanical Engineering, Software Engineering
- **Election Systems and Software**
 - Recruiting: Electrical Engineering, Computer Engineering, Industrial Engineering, Mechanical Engineering
- **Esri**
 - Recruiting: Computer Engineering, Environmental Science, Human Computer Interaction

- **Midwest Engineering Associates, Inc.**
 - Recruiting: Civil Engineering, Construction Engineering, Electrical Engineering, Energy Systems Engineering, Engineering Mechanics, Materials Science and Engineering, Mechanical Engineering, Systems Engineering
- **SkyWater Technology Foundry, Inc.**
 - Recruiting: Chemical Engineering, Electrical Engineering, Materials Engineering
- **Spreetail**
 - Recruiting: Software Engineering, Computer Engineering, Computer Science
- **TEL**
 - Recruiting: Materials Engineering, Chemical Engineering, Electrical Engineering, Physics, Chemistry
- **UnityPoint Health - Des Moines**
 - Recruiting: Industrial Engineering, Systems Engineering
- **USDA National Centers for Animal Health**
 - Recruiting: Agricultural Engineering, Biosystems Engineering, Civil Engineering, Construction Engineering, Environmental Engineering, Electrical Engineering, Computer Engineering, Mechanical Engineering
- **Valent BioSciences Corporation**
 - Recruiting: Agricultural & Biosystems Engineering, Chemical Engineering, Biorenewable Resources and Technology
