

FUNDING

CYstarters

BUILD YOUR STARTUP THIS SUMMER

The CYstarters accelerator is an elite, 11-week program for Iowa State students or recent graduates. The program, coordinated by the Pappajohn Center for Entrepreneurship, gives young entrepreneurs time to focus on their ventures, office space, funding (\$6,500 - \$13,000), a network of mentors, and skill set development to **start something** while in or just after graduating from college.

ACCOUNTABILITY

TIMELINE

Application Deadline: March 2 at midnight

Second Round Pitches: March 9-13

PROGRAM DATES

May 18 - July 31, 2020

APPLY TODAY
