

Engineering degrees with the best of two universities.

IIT KANPUR
Indian Institute of Technology Kanpur

IOWA STATE UNIVERSITY
College of Engineering

Study at Indian Institute of Technology, Kanpur (IITK) and at Iowa State University's (ISU) internationally recognized College of Engineering. Gain hands-on learning and research experience with faculty who are top in their fields. Work in state-of-the-art facilities.

Enhance your professional and career opportunities.

Applications are fast, straightforward and inexpensive.

Contact your institution's coordinator – Please see below.

Apply here; if selected, assistantship can be available:

<https://apps.admissions.iastate.edu/apply/online/>

Dual Doctorate Degree Program (2+2) **Earn a joint IITK and ISU Ph.D. degree**

- Duration: 2 years at IITK, 2 years at ISU
- Years 1-2: complete research requirements at IITK (or ISU)
- Years 3-4: complete the remaining research requirements at ISU (or IITK)
- Credits are transferred between IITK and ISU, abiding by mutual regulation

Iowa State University is located in Ames, Iowa, USA.

Funding support available from ISU for time at ISU by merit of application.

Actual program completion time depends on student progress.
