

Factual Information Summary for Promotion and Tenure
Iowa State University
Updated May 2020

To be completed by candidate and reviewed by department chair

This quantitative summary aims to present internal reviewers with a standard set of factual information relative to the candidate's activities during the review period. While this summary of factual information (Tab 1) contains the key facts of the candidate's promotion and tenure case (5.2.4.2.6), the narrative summary prepared by the candidate (Tab 2) articulates the specific context of the case and highlights the candidate's scholarly accomplishments, trajectory, and impact. This internal document shall not be shared with external reviewers. The candidate has final responsibility for the factual information summary's accuracy.
