Academic Standards Activity Report

Please complete the following table and include it with your reinstatement petition materials. For each term (Fall, Spring, Summer) since you have been dismissed from Iowa State University, indicate, in chronological order with most recent first, what you have done (taking classes, working, volunteering, military, etc.). Students must have at least a 2.25 grade point average for all transfer courses taken while dismissed from Iowa State University to be considered for reinstatement. An example activity report is provided below.

Example:

EXAMPLE

Student Name_____ **University ID**_____

Semester	College Attended	Courses Taken or Attempted	Grades	Activities or Employment: Company name, average hours worked per week	Other

My signature confirms the classes listed are the only classes attempted (includes ones dropped, withdrawn, or those that won't count towards degree as well) since my dismissal from Iowa State University and the grades listed are accurate final grades earned. Current classes are listed as "in progress". All other activities and dates are correct. I understand I am responsible for updating information submitted if there are changes.
