

Command Pane

Mote Pane

The image shows a terminal window divided into three main sections. The top section is split into two panes: a 'Command Pane' on the left and a 'Mote Pane' on the right. The Command Pane contains four buttons labeled 'green', 'beep', 'reset', and 'ping'. The Mote Pane shows the text 'ALL' and '0'. Below these panes is a 'Result Pane' which displays the command 'ALL: ping' in red text, followed by a list of mote statistics: '0: 2.9V Parent 126, RAM 512, qln 0, mhq 0, dpth 0, q1 0, q2 0'. The interface includes standard scroll bars on the right side of the panes.
