

**CE 203 Engineering Synthesis I  
Group Project Team Assignment  
Spring 2008**

In your assigned teams, research the project topic and prepare a 5-6 minute PowerPoint presentation. The presentation should include an overview of the project, highlight some of the major engineering challenges on the project, and discuss socio-economic, environmental, and/or political considerations unique to the project. Each team member will be expected to contribute to the presentation and will be required to present at least two slides. The presentations must be posted on WebCT no later than March 26<sup>th</sup> 2008.
